ABOUT US

About us

A.K. Packaging is a private company manufacturing in Gampaha, Sri Lanka for over 10 years places customer's requirements and interest at the heart of its business. A. K. Packaging has gained reputation as a trusted Supply chain partner who can be relied on to deliver every time, having delivered numerous projects from an idea to a bespoke printed and custom made paper packaging solution we continue to add value to Our customers and bring their ideas to life.

Over the years we have strengthened our expertise, becoming the partner of choice for customers in paper packaging island wide. Having the advantage of being located in Gampaha town gives us the opportunity to be close enough to our markets reducing lead time and providing quality at the most competitive prices. The design service and delivery are totally free of cost all over the country. Your orders no matter how big they are, will be delivered without charging you anything.

One roof approach

With everything under one roof we are able to streamline and speed up the development and production process. We can take your ideas from concept through to the finished packaging product within a short period of time through Cooperation and experience with our wealth of experience and expertise we can manage the production process from start to finish giving customers the confidence that they will receive the best possible solution to meet their desired objective.

Our vision

To be the best supply chain partner who can add value to your brand through innovation, quality and agility to respond to our clients needs and the changing market trends.

Our Mission

To provide innovative paper based bags and packaging Solution to customers around the country and the world and reduce the carbon foot print.

BESPOKE PRINT

If you can't find it, we will make it.

Contact us and let us know your interested either by phone, email or through the website.

PAPER BAGS

Paper bags are more fashionable than using a plastic bag. They are durable because it is not only used twice it can be many times. The price is less and we have a large selection of sizes and types as customer requirements. Our bags are made from recycled papers and can also custom printed to fit your needs.

PRINTING

If you are looking for a top quality custom printer with friendly, look no further. We will work with you every step of the way as part of our unwavering commitment to exceed your expectations.

Whether you are implementing an employee incentive program, designing a direct marketing campaign or generating buzz for an upcoming event. We use creativity and innovation to connect you with your audience. Every project is an opportunity to explore, with our clients, the unlimited possibilities and potential this collaboration brings.

We promise to exceed your expectations on time and within your budget.

STICKERS

Keep your product organized with our quality stickers. They are durable, cost effective and can be customized in different size, colours and shapes. we use high quality raw materials to make our stickers very versatile and suitable for both indoor and outdoor use.

Looking for an easy way to get remembered long after your next trade show, event or customer interaction? Hand out single custom stickers that show off your name and business logo.

HANG TAGS

Custom hand tags are an easy and affordable way to add your own unique branding (and style) to almost any product. Give people on the fence about buying important info like pricing, product details and even your company mission or story. With all sorts of options, you can create just the right product tag for apparel, collectibles, food, gift boxes and more.

ENVELOPES

Beauty is in the eye of the beholder but a powerful and memorable first impression with a custom designed envelope helps too. We will design and print envelopes of all sizes and formats. printed envelopes can range in format from classic black and white to impressive colorful designs.

Let us know how we can help you and well roll up our sleeves and get to work.

STATIONERY

The type of stationery you use says a lot about your brand professionally and personally. We're your one stop shop for personalized stationery and business stationery.

Get the stationery you're looking for

NON-WOVEN BAGS

Non-Woven bags are fabric-like bags made from spun-bonded Polypropylene(PP). The material is made to look woven by having a cross hatched pattern pressed into the material. The fabric is available in a range of vibrant colours.

Reusable Non Woven bags are a great way to promote your company and products. Customers will reuse these bags over and over promoting your business. These Eco bags are very strong and light weight. These are gaining popularity as they are reusable and very fashionable.

A.K. Packaging have years of experience in producing non woven bags and we can create a wide range of stylish bags at competitive prices, our standard material is 80gsm which can be screen printed up to 6 colours, on both sides.
